

# WANTED

## OLD BUSINESS PHONE SYSTEMS

HELP VENTURE CAPTURE THESE PHONE SYSTEMS & RECEIVE A HANDSOME BOUNTY.

The VENTURE "Buy-Back" Program is on the lookout for unused, extra business phone systems. These old, outdated systems were last seen lurking about your office.

Don't let these phones run loose and keep you from the cash you deserve. Use your bounty toward new purchases by turning in your old phone systems today! We're hunting for Comdial, Shortel, Nortel, NEC, Panasonic, Samsung, AVAYA and Toshiba equipment. Give the folks at Venture a holler to find out how to receive CASH for your OLD phone system today. Or double your money towards a trade in, no matter who you bought your system from!!
